MANKATO — This week's round of Community Response Fund grants awarded \$9,000 to two community organizations.

- Partners for Affordable Housing was awarded \$6,000 for personal hygiene and sanitation items, rental fees, hotel vouchers, additional staffing and technology items.
- Salvation Army was awarded \$3,000 for housing and emergency assistance.

The grants were awarded in response to the short-term emergency needs of nonprofits in the region due to the ongoing pandemic.

With the new grants included, the fund has distributed a total of \$182,450 to regional tax-exempt organizations since launching March 20.

The fund continues to grant funds on a rolling basis to nonprofit organizations.
